COMPONENTS																

[illegible]

✓* : The presence of milk in the whipped cream and/or cow's milk used to prepare the recipe.
(The drink can be made without whipped cream and, in most cases, with a plant-based alternative)
✓: Presence of the allergen
T : Trace of the allergen

Despite the measures we have put in place to minimise cross-contamination during the preparation of our drinks, we cannot guarantee that our drinks are free from traces of allergens.
Some of our ingredients may also have been manufactured in an environment where allergens are present.
